

Sage FAS Barcode Reader: Unitech PA600 Comprehensive Coverage

The Unitech **Comprehensive Coverage**^{*} is a unique prepaid Service Center Support program that extends normal wear and tear coverage by including accidental breakage during normal use of your Unitech PA600. Purchased within 30 days of your Unitech hardware, this three-year service agreement can significantly reduce your unexpected repair charges — helping to ensure both peace of mind and investment protection.

Comprehensive Coverage provides for product repair at a Unitech-operated facility that employs the same test equipment and fixtures used in the manufacturing of the equipment. Products are diagnosed and restored to factory specifications via:

- Repairs, alignments, adjustments and restorations, if appropriate, of any covered product(s) that malfunctions while being used within the operational and environmental parameters specified by Unitech.
- Product updates, if applicable, as may be defined periodically by a Unitech Engineering Change Order.

COVERAGE: STANDARD WARRANTY vs. COMPREHENSIVE COVERAGE^{*}

	Standard	Comprehensive Coverage
External plastics		■
Cosmetic repairs		■
Displays		■
Keyboards		■
Exit windows		■
Triggers or faulty internal devices that occur during usage		■
Parts and labor		■

Manufacturer defects	■	■
Length of coverage	12 Months	36 Months
Price	Included with Reader	Call for Pricing

**The Standard Warranty, and Comprehensive Coverage is provided exclusively by and subject to the terms and conditions of Unitech America, Inc. Additional fees apply. Customer will handle any warranty claims directly with Unitech America. Coverage excludes consumable parts and accessories, damages from natural or man-made disasters, fire, water submersion, firmware upgrades, reprogramming, product configuration, operation outside the product's operational and environmental specifications, or repair by a third party. Coverage must be purchased within 30 days of hardware purchase.*

End-to-end solutions. Expert advice.
Ongoing support. That's Sage 360[®].
